

# THE HEALING PROCESS PERMANENT COSMETICS

All clients immediately following any permanent cosmetics procedure:

## **DO NOT:**

- ❖ Dust or vacuum for two days
- ❖ Touch the area with your fingers (especially the eyes!)
- ❖ Use any new products or makeup in the area for a week
- ❖ Pick, peel or rub off any of the procedure
- ❖ Use Retin-A during the healing process (Retin-A will prematurely fade your permanent makeup; remember it spreads 1 ½ inches.) Avoid area by two inches for the next four weeks
- ❖ Use your finger or double-dip into any product (if provided)
- ❖ **LIP Clients:** whitening toothpaste for two weeks post procedure
- ❖ **EYELINER Clients:** mascara may be used three days post if NEW and NOT waterproof. Must wait 7-10 days before getting eyelash extensions.

\*\*\*Lip Balm is provided for all 1st and color boost procedures. **Use daily to prevent sun fading.** DO NOT USE DURING HEALING PROCESS, OR ON THE EYES

## **PLEASE:**

- ❖ Use a fresh laundered pillow case upon retiring
- ❖ Use a gentle face wash morning and at bedtime
- ❖ Shower as usual, pat face dry, never rub permanent cosmetics
- ❖ Always cover the ice bag with a zip lock bag or plastic wrap; chill in the fridge NOT the freezer
- ❖ If needed, over the counter pain relievers are recommended
- ❖ If you must change your kitty litter yourself, please wear safety goggles for five days post procedure.

PLEASE CONTACT THE PERMANENT COSMETIC & LASH STUDIO IMMEDIATELY IF YOU HAVE ANY QUESTIONS OR CONCERNS REGARDING YOUR PROCEDURE.

# THE HEALING PROCESS PERMANENT COSMETICS

## **MICROBLADING/BROW FUSION**

- ❖ Keep as dry as possible. If you do wet, pat dry with fresh tissue
- ❖ No makeup or product on eyebrows for 7 days
- ❖ It will take four weeks for the color to blossom! You cannot rush Mother Nature

## **EYELINER**

- ❖ The morning after the procedure your eyes may appear puffy, like you were crying the night before. The puffiness usually dissipates in the afternoon.
- ❖ Use provided q-tips to get 'sleepies' out of your eyes, not your finger!
- ❖ They may be sticky shut; that's NORMAL; splash a little water to release them
- ❖ Chill as needed with the ice bag – be sure to wrap ice bag with zip lock bag or plastic wrap
- ❖ Eyeliner area will crust on the fifth day
- ❖ It will take four weeks for the color to blossom! You cannot rush Mother Nature

## **LIP COLOR**

- ❖ Immediately after the procedure, use the homeopathic cream provided (T-relief).
- ❖ Lips will appear very vivid and puffy for two days
- ❖ Usually on the third day your lips will begin to crust; you may use a fresh tissue to remove excess peeling – keep moist with Aquaphor
- ❖ DO NOT pick or encourage them to peel too quickly
- ❖ Your lips will feel dry and dull for about one month
- ❖ Your lips will appear very light after crusting
- ❖ It will take six weeks for the color to blossom! You cannot rush Mother Nature  
\*\*\*If your pre medicated before your lip procedure, continue to do so for 7 days post treatment

## **YOUR FOLLOW UP VISIT FOR MAXIMUM RESULTS**

- All NEW permanent cosmetics require TWO visits. Schedule your second appointment as follows:
  - 4 weeks for eyebrows and eyeliner (eyeliner may require more visits depending upon the amount of eyeliner desired)
  - 6 weeks for lip color
- Most COLOR BOOST procedures are fine with one seating; it is not required to have a second visit unless it has been many years since procedure.
- We suggest a 3<sup>rd</sup> visit for full face procedures; inquire about pricing.
